

## What is a Go Bag?

A Go Bag is a dedicated backpack for educators that is stocked and ready to go for educational adventures to nearby (or not-so-nearby) natural areas. Go Bags! could be stocked with provocations for student learning and inquiry, tools for exploring, initiative task material, risk management equipment, tricks of the trade and more!

**This list was developed by Yukon teachers during a professional development day. What would you put in your Go Bag!?**
