# Lava Pit

## The Rules

- *The magic lava boots only work when you are wearing both boots*
  - *You cannot throw the magic lava boots. They can only be passed on to someone else by tapping your toes together*
  - *Each member of the expedition team can only wear the boots once*
  - *If you touch the lava while crossing you need to go back and try again*
  - *Success is the entire team safely making it across the lava pit*
